

Thank you to Mayor Tate and Mrs. Rogers

Who have demonstrated by words and actions their commitment to protecting the safety and security of our neighborhoods and have been crucial in the continuing fight against Short-Term Rental (STR) mini-hotels in neighborhoods.

✓ **William D. Tate**
Mayor

✓ **Sharron Rogers**
City Council Place 2

What you can do to help:

- Vote and encourage neighbors & friends to vote: Apr 19-27 (early) or May 1
- Consider a 'Homes not STR Hotels' sign in your yard. Contact us at tx.neighborhoodcoalition@gmail.com

Why your vote is important:

- 1) Court case filed by Pro-STR operators will soon be decided: Mayor and City Council will determine next steps.
- 2) Mayor and City Council have the power to amend or repeal Grapevine's STR ordinance at any time.
- 3) Please be wary of interests from outside of Grapevine that are organizing a negative and dishonest PR effort to mislead the public about our city leaders' smart decision to ban STR hotels and party houses in our neighborhoods.

Any candidate who says "STRs are not on the ballot" or "it's up to the courts" does not understand the job he/she is running for as Mayor or on City Council.

The TX Neighborhood Coalition was established to assist residents and neighborhoods as they seek to protect themselves and their families from multiple issues associated when STRs invade residential neighborhoods. The non-partisan grass-roots coalition works at both the state and local level to fight legislative and election agendas of STR companies and operators, and now number in the thousands across the state, and hundreds in the Grapevine area.
